Student Ministries Outreach T-Shirt
University of Michigan Dearborn CASL Online
Dearborn Ignite V
Scripture Union Peru Logo Samples
Alma College Little Siblings Weekend T-Shirt

DESIGN

Student Ministries Outreach T-Shirt

Student Ministries Outreach T-Shirt

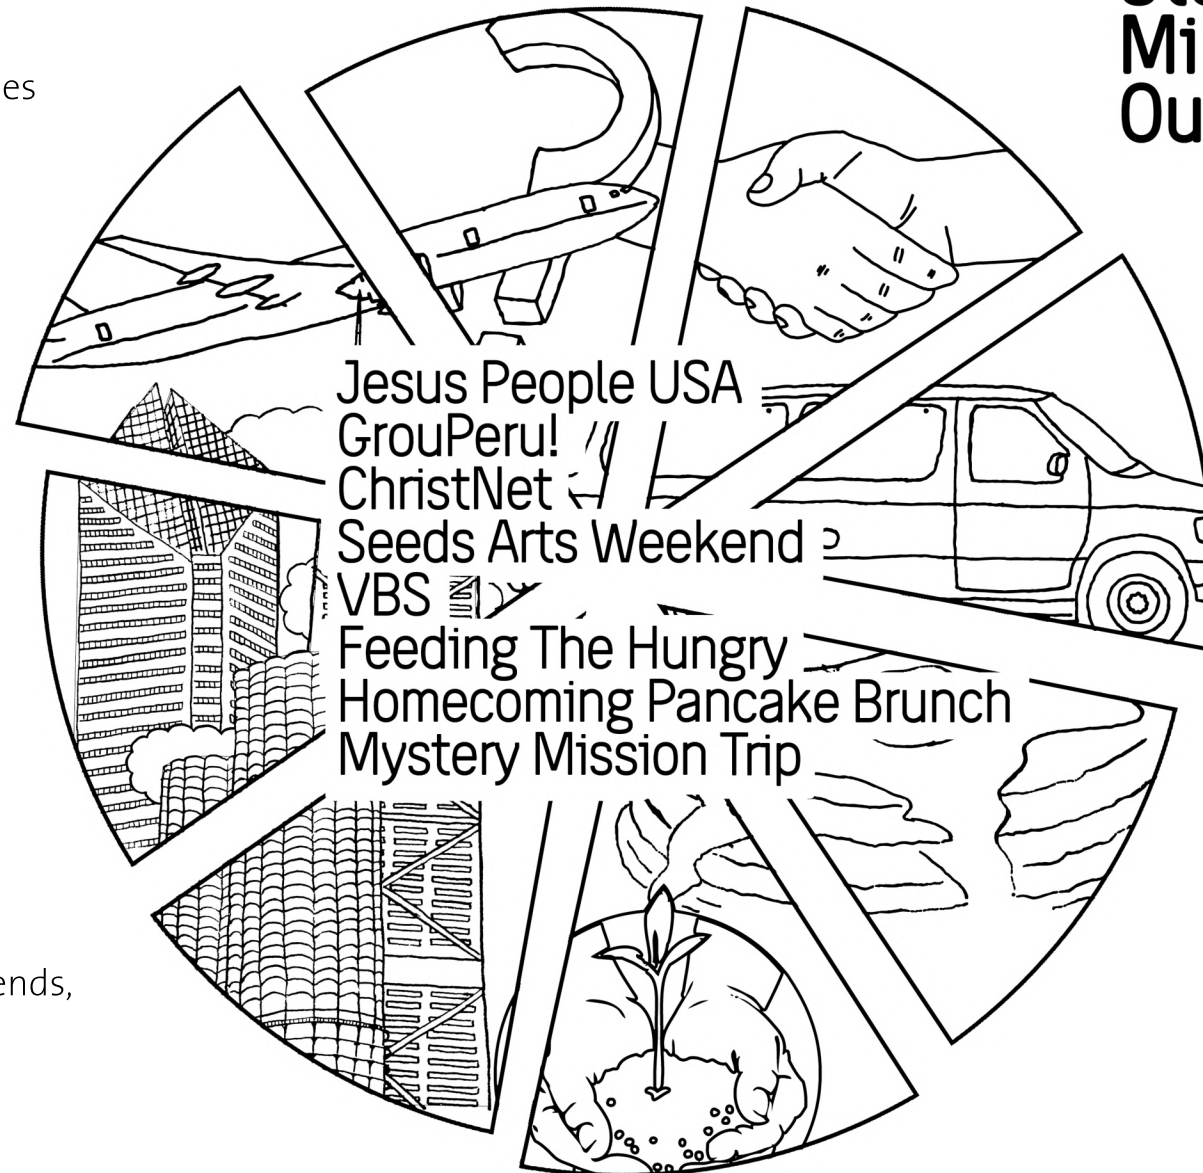

This shirt was designed to showcase the outreach activities of Student Ministries at The First Presbyterian Church of Dearborn.

Each of the drawings in the pie chart represent one of their mission activities. For example, the airplane references a mission trip to Peru, the stack of pancakes refers to a Pancake Brunch the youth group puts on at Dearborn Homecoming, while the Chicago skyline is from a mission trip to Chicago.

I designed and hand drew the shirt, created a screen and, with the assistance of a few friends, screen printed 50 shirts.

Software used:
Adobe Photoshop

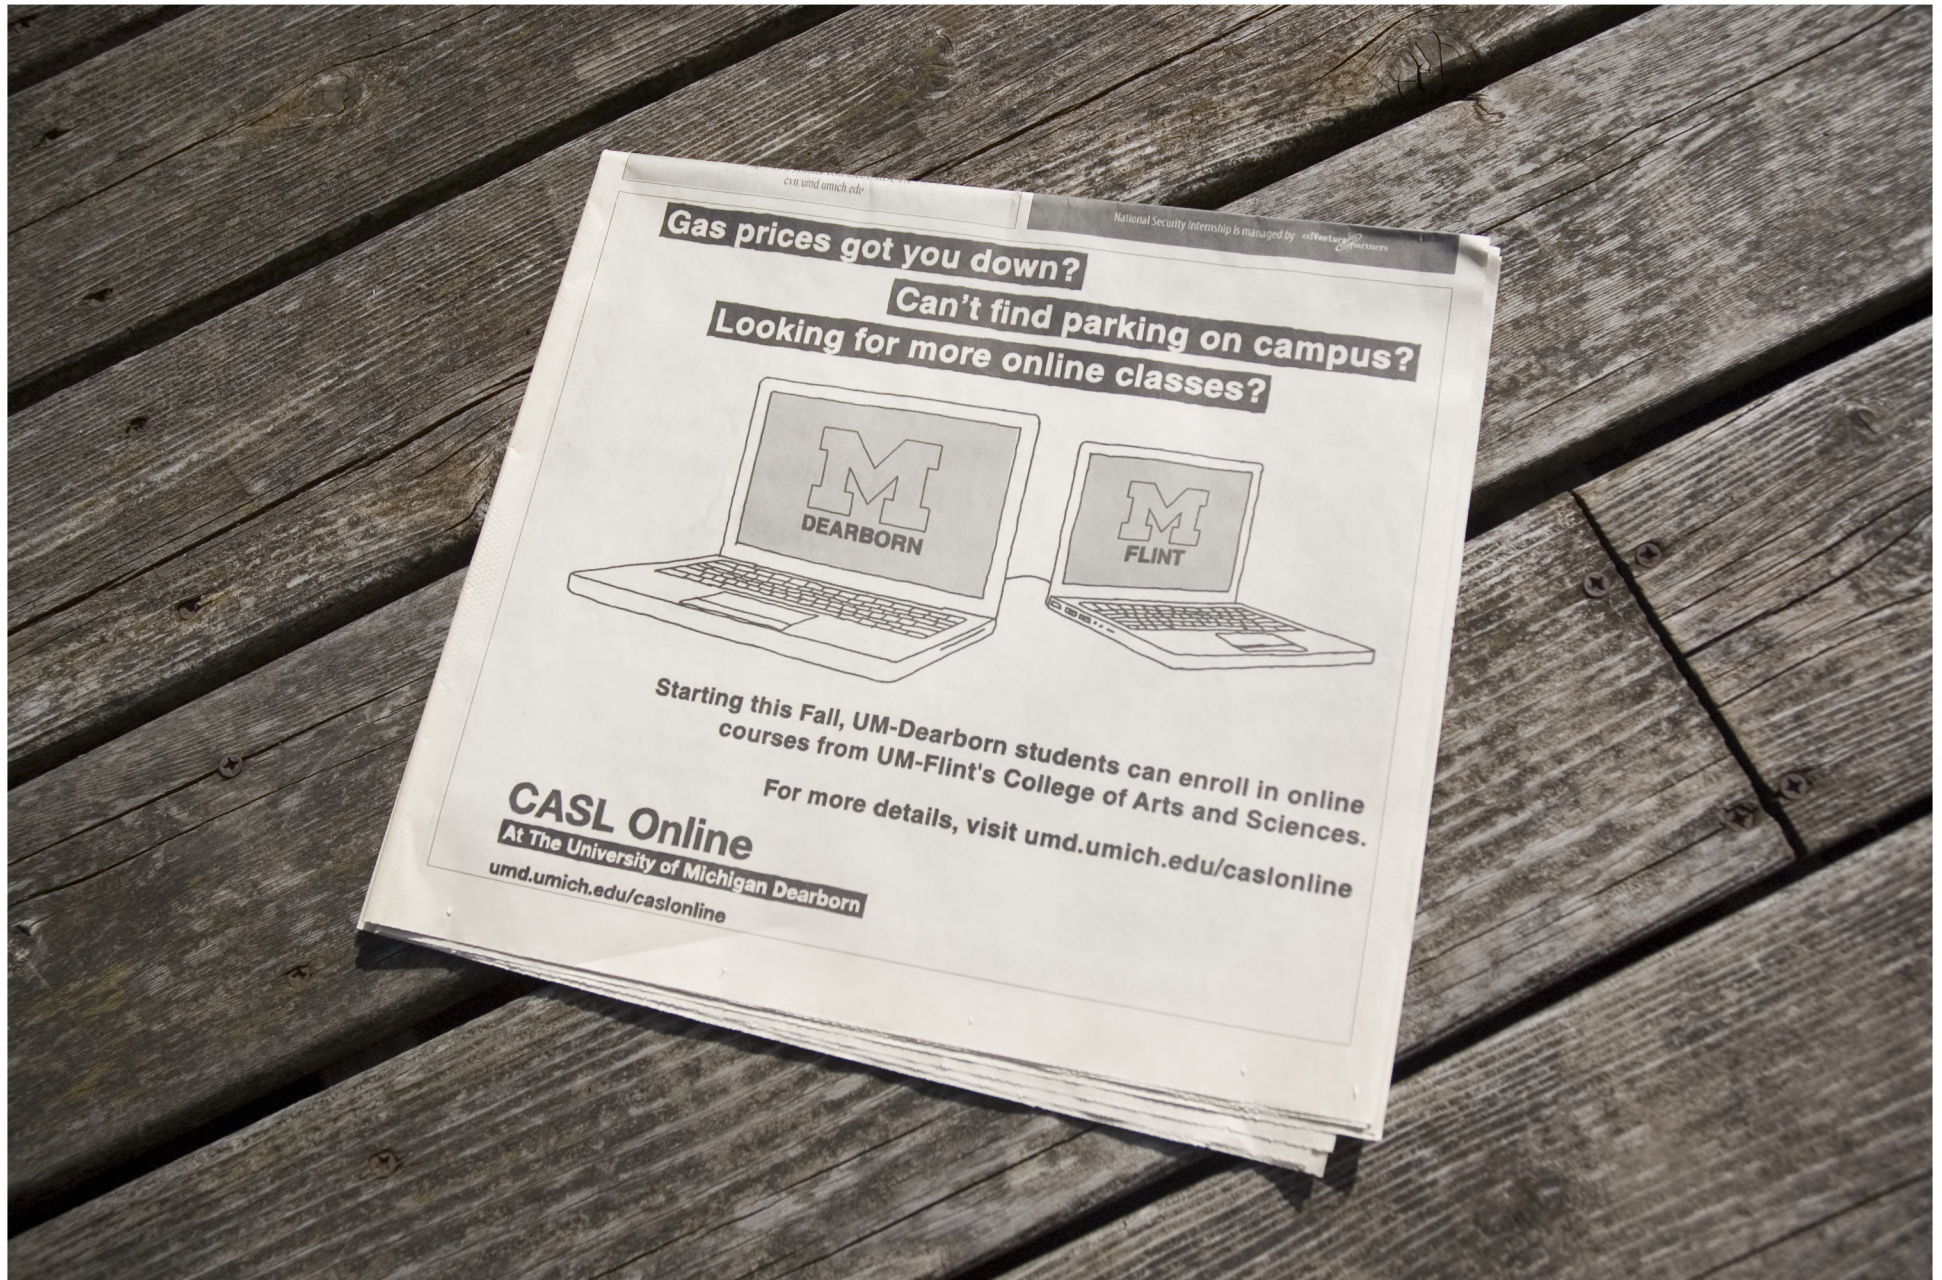

Student Ministries Outreach

Student Ministries Outreach T-Shirt

University of Michigan Dearborn CASL Online

University of Michigan Dearborn CASL Online

I was hired by the CASL Online department at The University of Michigan Dearborn to create a newspaper ad, highlighting a new program allowing Dearborn students to take classes from U of M Flint's online department.

For the ad, I drew the laptops and created a custom font to use—a hand-drawn version of Helvetica.

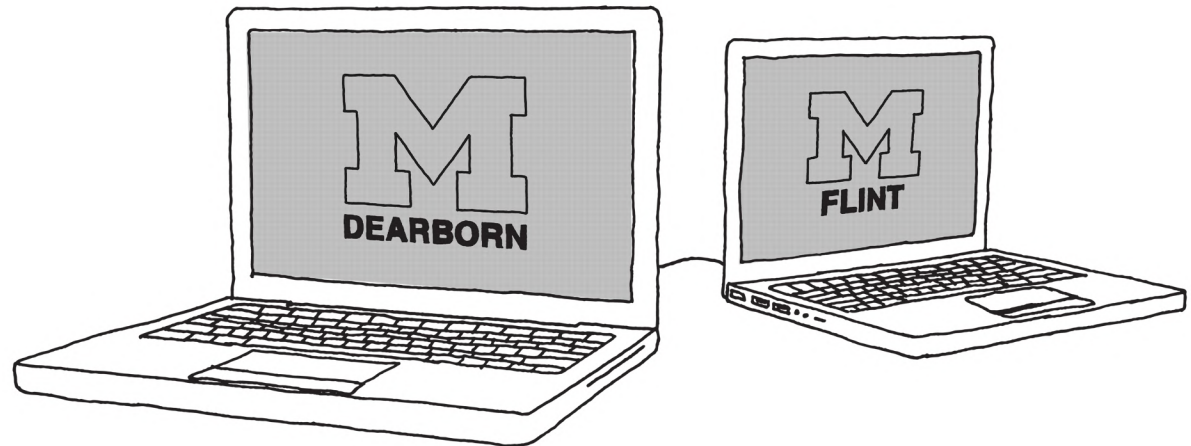

I was also hired to create unique bookmarks for CASL Online that were handed out to students, pictured on the next page.

Software used:
Adobe Photoshop
Adobe Illustrator

Gas prices got you down?

Can't find parking on campus?

Looking for more online classes?

Starting this Fall, UM-Dearborn students can enroll in online courses from UM-Flint's College of Arts and Sciences.

DESIGN

Dearborn Ignite V

This poster was used for Dearborn Ignite, a quarterly gathering where eight church youth groups from Dearborn come together and worship.

I created the match from construction paper cut-outs, as well as the 'map' on the back. Software used: Adobe Photoshop

Scripture Union Peru Logo Samples

I am currently volunteering for Scripture Union Peru, an organization that works with abandoned street boys by providing them with a place to live and a stable life.

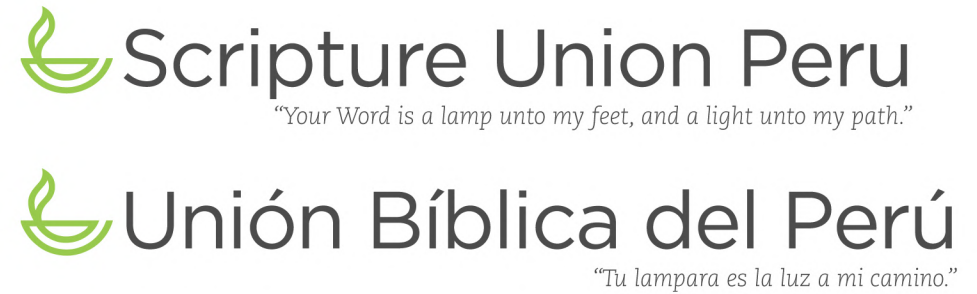

As part of a team, I am working on publicity for the organization, focusing on design, brand identity and building a website.

To the left are three brand identity ideas that I have created as possible directions we will take.

Software used:
Adobe Illustrator

Alma College Little Siblings Weekend T-Shirt

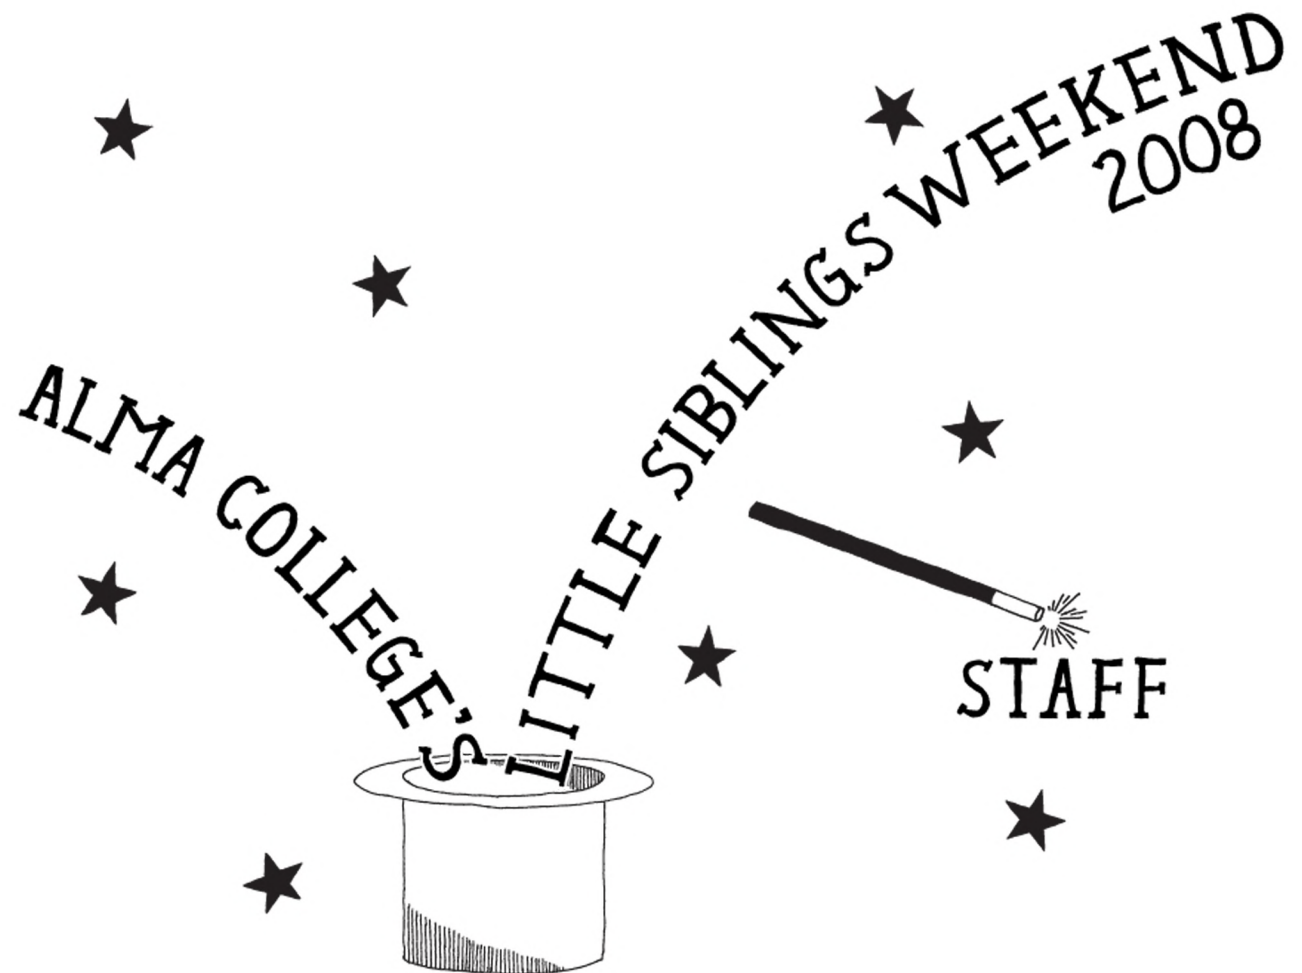

DESIGN

Alma College Little Siblings Weekend T-Shirt

This shirt was designed for Alma College's annual Little Siblings Weekend.

The 2008 theme of the weekend was magic, which I reflected in the design. Every element of the shirt is hand drawn, including the custom type.

Software used:
Adobe Illustrator
Adobe Photoshop

TYPOGRAPHY

Graph Paper Typeface

Graph Paper Typeface

The quick brown Fox jumps over the lazy dog. The quick brown Fox jumps over the lazy dog. The quick brown Fox jumps over the lazy dog. The quick brown Fox jumps over the lazy dog. The quick brown Fox jumps over the lazy dog. The quick brown Fox jumps over the lazy dog.

Five styles, each with a full opentype small caps set and opentype old style figures:

0123456789 0123456789

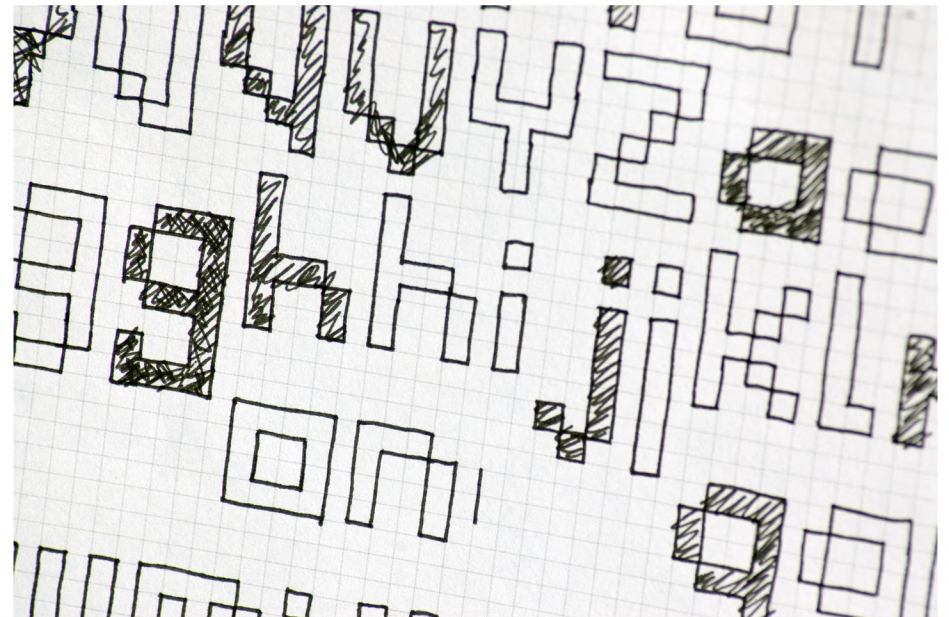

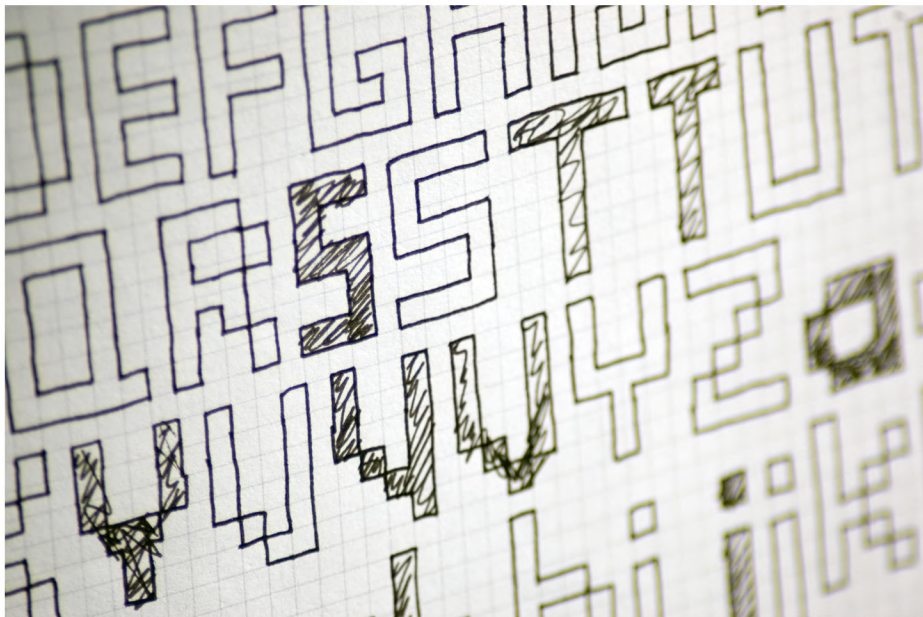

TYPOGRAPHY

Graph Paper Typeface

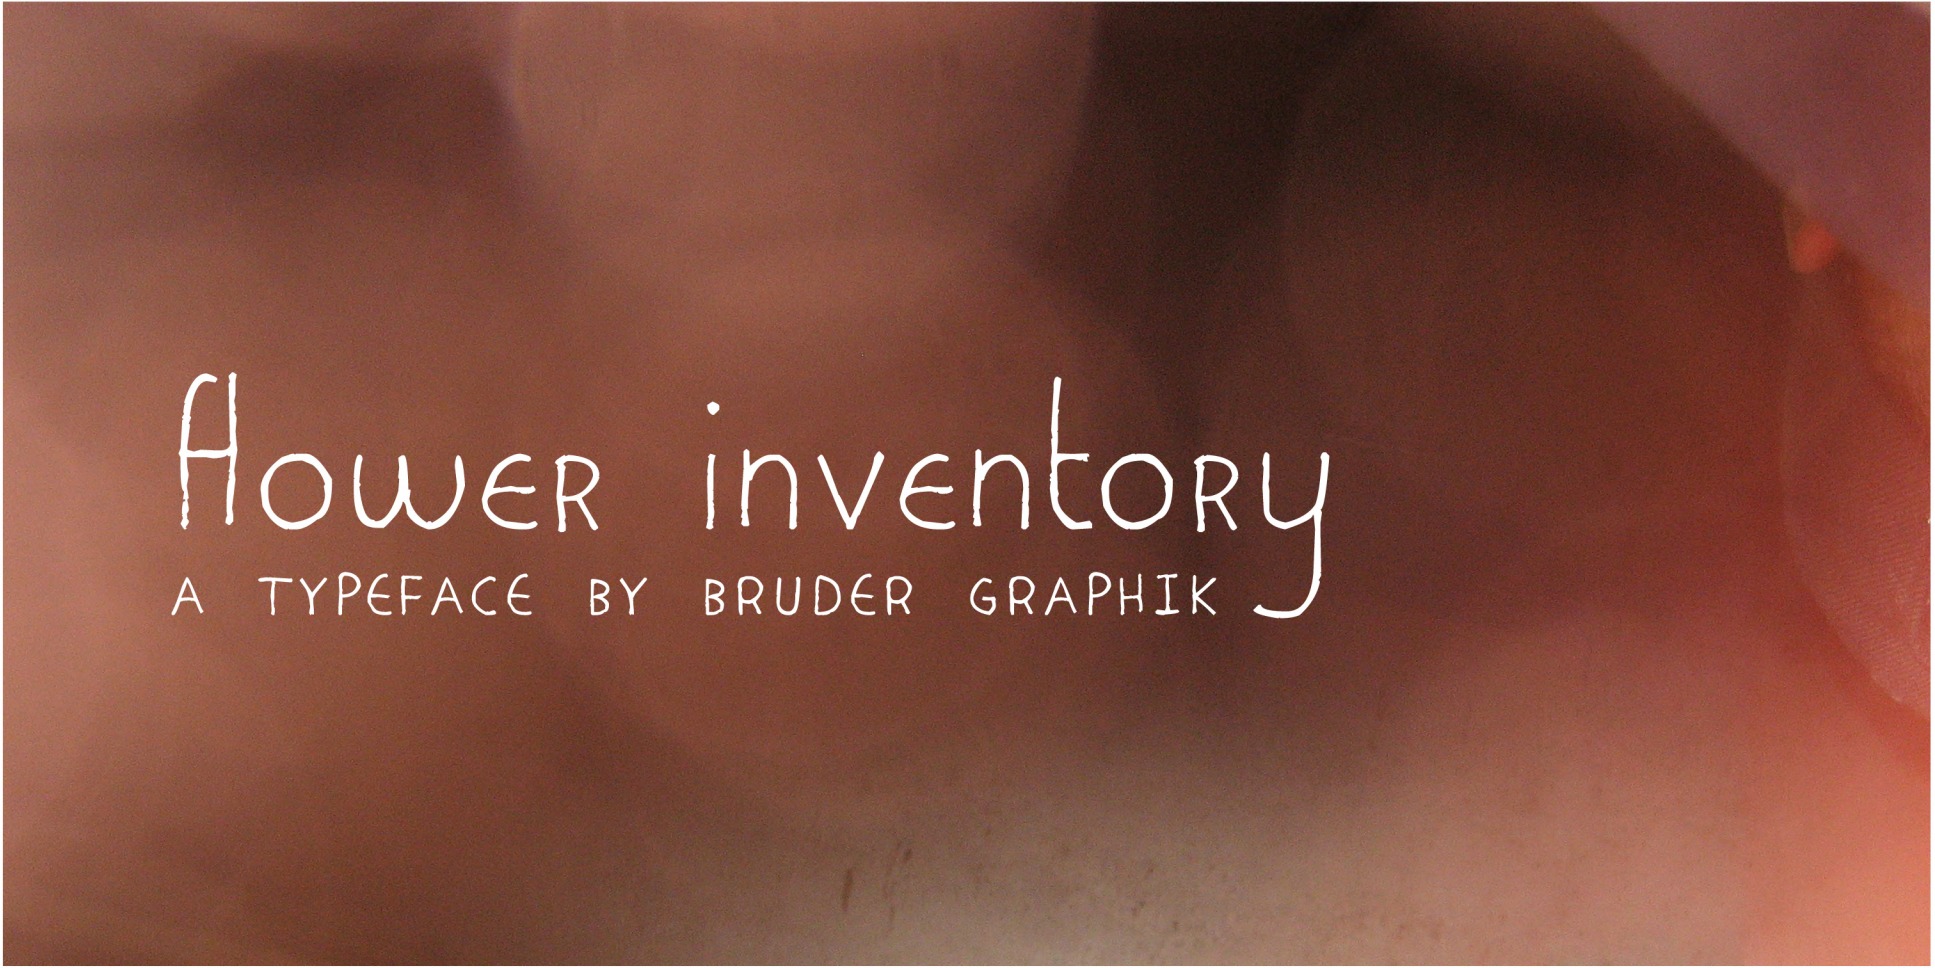

This font was inspired by old drawings I discovered in my graph paper notebook from middle school. I worked from the samples I had made in the notebook and created a full font with 5 styles, a full foreign character set, OpenType features, and even some dingbats.

In total, the font family has 2,905 glyphs.

Software used:
Adobe Illustrator
Adobe Photoshop
FontLab Studio

Flower Inventory Typeface

Flower inventory
A TYPEFACE BY BRUDER GRAPHIK

I used samples of my own handwriting from flower inventory sheets to create this typeface. I rewrote most of the letters and filled in a complete small-caps set and old style numbers, as well as foreign symbols and accents. Bruder Graphik is the font foundry I created to sell my typefaces through the font retailer, [MyFonts.com](https://myfonts.com).

Software used: Adobe Illustrator FontLab Studio

TYPOGRAPHY

Murder Typeface

“Murder” is a typeface I am currently working on (the metrics and kerning tables are not complete yet).

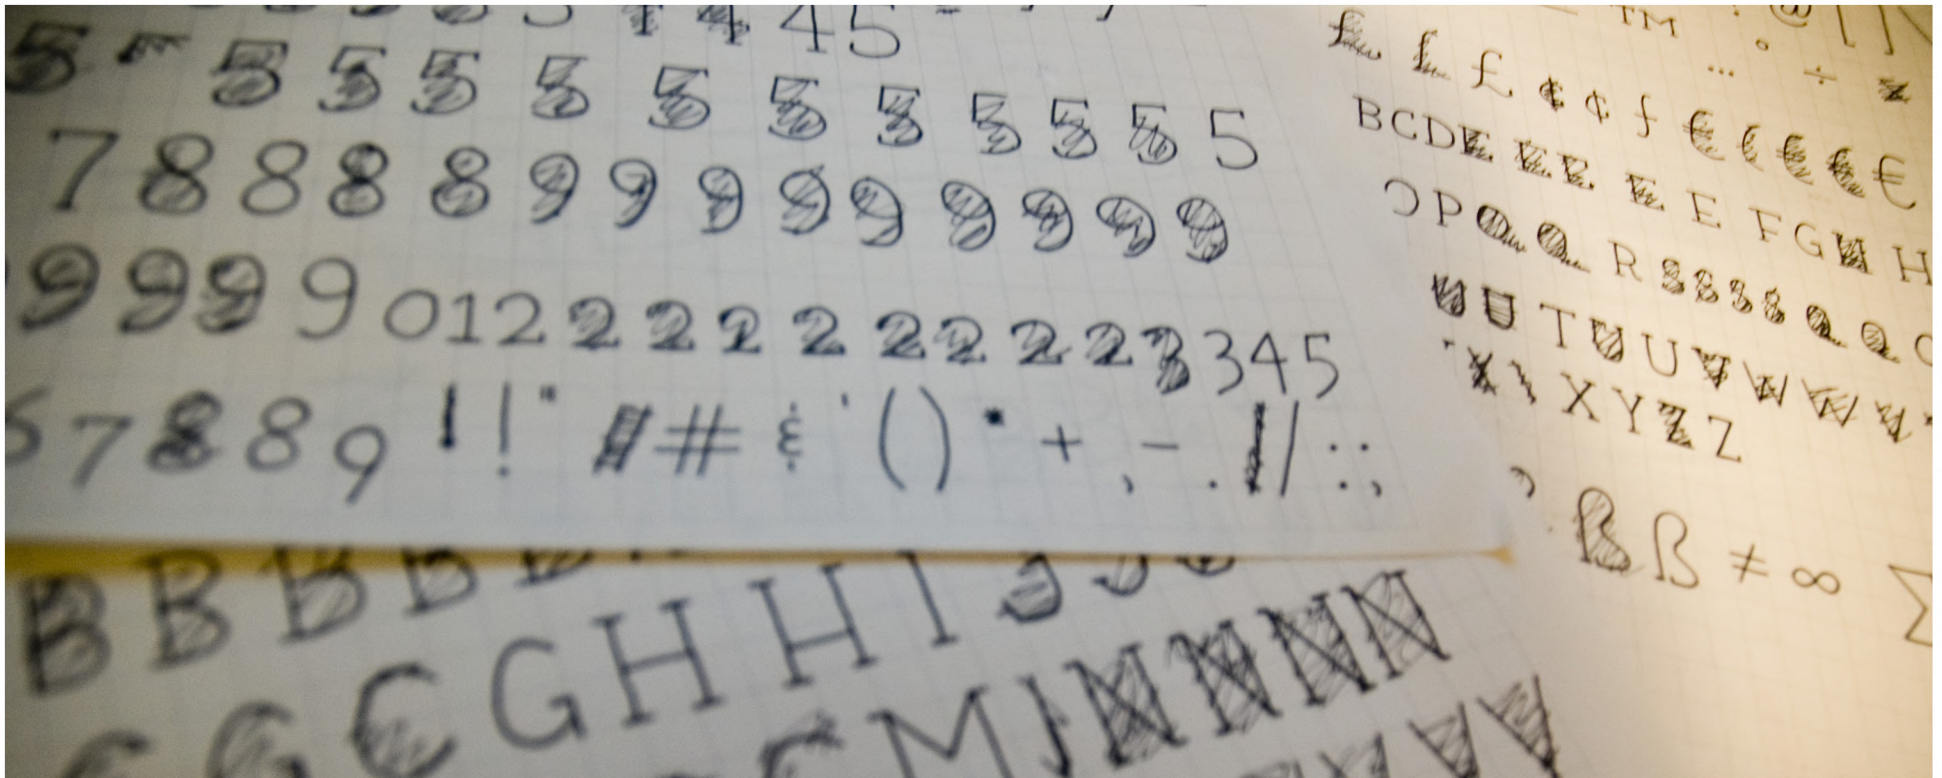

This is another font based on my handwriting. It also includes a full OpenType small caps set and old style numbers, as well as foreign symbols.

Software used:

Adobe Illustrator

Adobe Photoshop

Motion Graphics

Pillar Productions Production Logo

Paul Ytterock

Pillar Productions Production Logo (Version 2)

Pillar Productions Production Logo

Video file: **Pillar Productions Production Logo.mp4**

Pillar Productions is the video production group I lead at The First Presbyterian Church of Dearborn. I created this production logo for the start of the videos we produce. The shapes in the video (and the name of the production group) come from the iconic pillars that are part of the construction of the church building.

Software Used:
Adobe After Effects
Adobe Illustrator

MOTION GRAPHICS

Paul Ytterrock

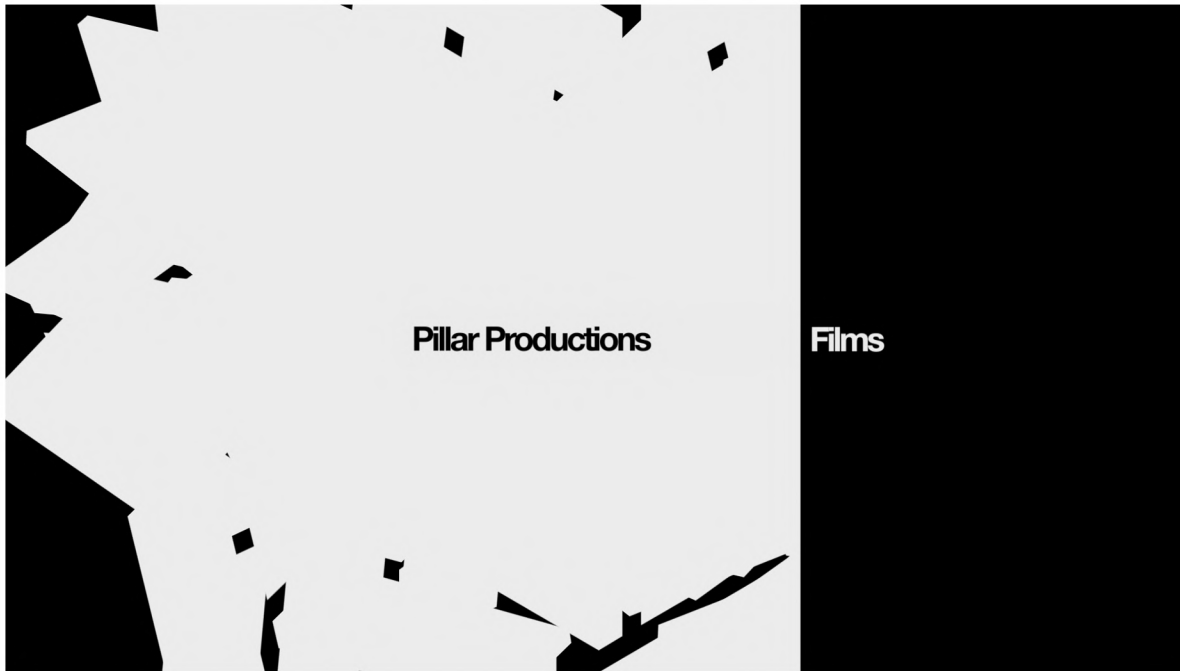

Video file: **Paul Ytterrock.mp4**

This video was created for the Christian Education Director at The First Presbyterian Church of Dearborn, who completed seminary and was ordained as a pastor at another church. We had a farewell dinner for him, and I was approached to prepare a slideshow for the dinner. Rather than just put the photos together in a traditional slideshow, I wanted to create something unique.

Software used:
Adobe After Effects
Adobe Photoshop

MOTION GRAPHICS

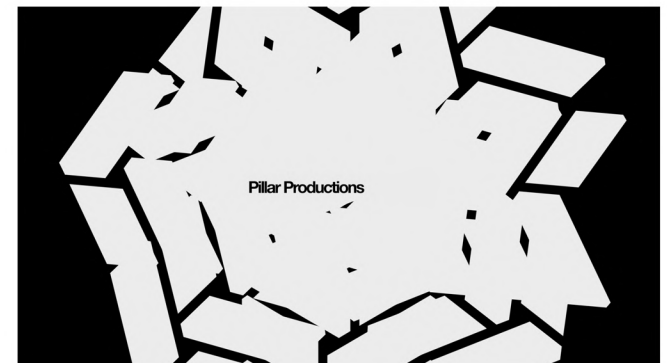

Pillar Productions Production Logo (Version 2)

Video file: **Pillar Productions Production Logo (Version 2).mp4**

Playing off of the same pillar theme, I created this production logo to incorporate a updated brand identity for Pillar Productions.

Software Used:
Adobe After Effects
Adobe Illustrator

PART IV:

Short Films

Micah 6:8

Mike Barber's Kitchen Percussion

One Week

Neighbor

SHORT FILMS

Micah 6:8

Video file: **Micah 6-8.mp4**

This video is based on the Bible verse Micah 6:8, “He has showed you what is good, and what does the Lord require for you but to act justly, love mercy and walk humbly with your God.” I directed, edited and co-wrote the film. The actors are members of Student Ministries at The First Presbyterian Church of Dearborn.

Software used:
Adobe Premiere Pro

SHORT FILMS

Mike Barber's Kitchen Percussion

Video file: **Mike Barber's Kitchen Percussion.mp4**

This music video was recorded as audition tape for the musical group Stomp. Mike Barber, the percussionist in the film, recorded the song and approached me to create a video for it. I directed and edited the video.

Software used:
Adobe Premiere Pro

SHORT FILMS

One Week

Video file: **One Week.mp4**

This video was created for a comedy night at The First Presbyterian Church of Dearborn. The youth group was asked to participate with a video, so I wrote and produced this short film. The premise of the film is that the pastor gives the staff a week off, leaving the youth group in charge (and things don't go right.)

Software used:
Adobe Premiere Pro

SHORT FILMS

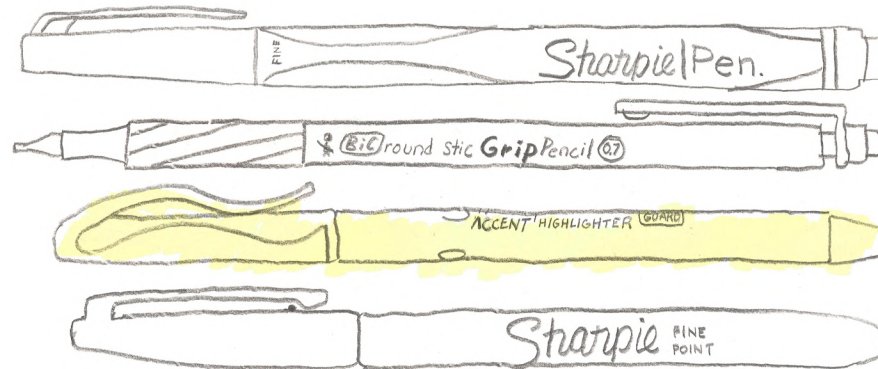

Neighbor

Video file: **Neighbor.mp4**

Like the Micah 6:8 video, this short film is based on the verse John 7:38, "Whoever believes in me, streams of living water will flow from within him." I co-wrote, directed, and edited the film. This video was created for a national contest for youth groups within the Presbyterian Church USA, and was featured on their website.

Software used:
Final Cut Pro
